bQualifying Procedure

Notes

The respective Sport Committee Chair may adjust the standards, where necessary, forty-five days prior to the competition, based on received entries at that time. Therefore, early submission of an entry close to the standards is advised.

"A" and "B" Standards

Athletes who attain the "A" Standard will automatically be qualified for the event.

Athletes who have attained the "B" Standard will be allowed to declare, but will be notified if they have been accepted into the Championships to compete in order to fill an event for competitiveness. The Sport Committee chair will make the final field size determination once declarations close. The "B" Standard may be used to fill the fields, in ranked order of those athletes who have entered and declared their intention to compete. For notification purposes, a current phone number/e-mail address should be provided during the declaration process.

Qualifying Guidelines for Championships in Non-Olympic Years

1. Qualifying marks must be made in accordance with USATF Rule 149 and verifiable in one of the following:
 - a. USATF or IAAF sanctioned events which prescribe to or exceed USATF competition rules
 - b. Events at collegiate meets which prescribe to or exceed USATF competition rules, or
 - c. High school meets, but not dual or triangular meets.
 - d. Meets or events which meet a minimum for competitiveness set by the Chair of the Sport Committee and determined to be valid by the USATF National Office staff member responsible for verification.
2. This is an annual Championship which requires qualification within a specific period of time. Qualifying marks for the Combined Events must be attained on or after Saturday, January 2, 2010 through Sunday, June 19, 2011.

All performances are subject to verification by USATF or its statisticians.

2010: Opened outdoor season with his 2nd win at Hypo-Bank meet in Götzis, then was injured at Kladno, CZE and season ended. Successfully defended IAAF world indoor title with 6204 win in Doha. **2009** proved to be a respite season. In **2008:** Captured IAAF World Indoor heptathlon (6371) in Valencia, won US Olympic Trials with PR 8832 score, then became 11th American to win the Olympic decathlon gold medal (in Beijing). In **2007** dnf'd at USA champs after placing third at Götzis with 8493 in spite of discus snafu. Bryan opened **2006** outdoor season with a victory at Götzis (8677), the first American victory there ever. He had been runner-up at the IAAF world indoor heptathlon. 'Dnf'd at USATF in Indianapolis due to dehydration.

Bryan's **2004** year was a dream. Not only did he capture the US Olympic Trials with a PR score of 8660, but he then won the silver medal at the Olympic Games in Athens behind Roman Sebrle with an 8820 score, becoming America's 23rd Olympic decathlon medalist. Of Americans, only Dan O'Brien has ever scored more. Bryan then was 2nd (again to Sebrle) at France's DecaStar to capture 2nd in the IAAF Grand Prix Combined Events Challenge. And only at 25!

2005 was even better as Bryan won a 2nd USA championship (using a world best 55.87m discus sling in the process) followed by the IAAF world title in Helsinki (8732 pts), all of which notched him a #1 world ranking for the season. He opened the **2006** campaign with a silver medal at the IAAF indoor championships in Moscow.

Bryan was 1999 National USATF Junior champion and Pan-American Jr Champion as freshman at Azusa Pacific where he is coached by Kevin Reid. As a sophomore (2000) he was both NAIA indoor pentathlon and outdoor decathlon champion. Made dramatic breakthrough in April, 2001 with 7980 PR win at Mount SAC Relays, then placed an eye-opening 3rd at the USATF nationals. Injured he dnf'd the IAAF Worlds in Edmonton and was 13 at World University Games in Beijing, China. In 2002, after knee surgery in April, he recovered quickly and was 2nd at USATF nationals with PR 8230, the nation's leading collegiate score.

He opened the 2003 campaign with a world leading 8225 effort at Atlas then made the USATF champs a 'breakthrough' affair getting 8482 points behind Tom Pappas. It earned him a world ranking. A leg injury curtailed his IAAF world champs meet.

Bryan opened the 2004 indoor meet with a 3rd at Estonia's Reval Cup and then was runner-up at the IAAF world champs in Budapest with an eye-opening 6365 score. He notably upped his long jump PR to 8.05m/26-5 in June, 2004. Has won 10 of 26 career meets.
