Thorpe Cup History

Now the world's most important nation vs. nation team decathlon, this meet has been variously called the VISA CUP Meet or the JEEP Challenge. And in 2007 officially took the name of **The Thorpe Cup** in honor of 1912 Olympic Decathlon Champion Jim Thorpe, Carlisle, PA

The concept of an annual team match was initially conceived by VISA-USA team coach Harry Marra and Team Zehnkampf coach Claus Marek in 1993. This is the 27th of a series of annual international team decathlons between the USA and Germany. The US teams holds a 14-12 W-L advantage by breaking a 6 year losing streak in 2016 in Fayetteville, AR, but loosing nine of the last ten men's matches!!!

.In the current series, the first meeting was arranged in Aachen, Germany in 1993 where Stefan Schmid of Germany and the VISA USA team were victorious. The American team won 6 of the initial 7 team battles. One, the 1999 affair, also in Aachen was decided by a mere 5 points. Team USA got back on the winning side in 2002 with a major win in Walnut, CA, led by Tom Pappas and repeated in 2003 in Bernhausen.

The 2004 meet, scheduled for Kansas State U, was cancelled by the German federation (DLV) in June of that season. In 1996, with the meet in Edwardsville, IL, the USA squad set a world 5 man team record averaging 8121.4 points per man.

Only Kip Janvrin, Mike Maczey and Pappas have won the individual title more than once. See below. The 2020 meet was cancelled because of the worldwide COVID-19 pandemic. The 2021 meet was not held because of tight scheduling.

In the years before the current series, USA and German decathlon teams met twice. Team USA won both, with Bruce Jenner getting a world leading score in 1974 in Tallinn, Estonia (tri meet: USA/USSR/ Germany). Team USA won again in 1983 in Baton Rouge, LA. So, counting the two earlier team meetings, the Americans hold a historical 16-12 national team advantage.
