### Conference Champs Around the Corner

And we waited to catch a trio Sunday-Monday meets before posting *Newsletter #6*.

A trio of midwest US meets kicked off the collegiate conference season. At the D-II level Wayne State’s (NE) Robert Sullivan cruised to the Northern Sun Conference champs in Mankato, MN. Sullivan’s 5141 score was 59 better than fast closing Teddy Frid, a Sioux Falls soph.

A pair of NAIA leagues crowned winners: Drew Gandy, a senior at Missouri’s Central Methodist U was the Heart of America winner in Jacksonville, IL while Justin Jacobi, a soph at Waldorf (IA) was the North Star AA winner in Jamestown, SD.

Last weeks top scores came from Lynchburg, VA (5385 by Virginia’s John Lint), Joplin, MO (5284 from last year’s D-II champ Cody Thomas, a New Zealander competing unattached), and Clemson, SC (5341 from Estonian Markus Lemeet, a senior at South Carolina).

The next two weeks will feature almost non-stop action with over 500 athletes starting at 54 collegiate leagues meets.
