

## EUROPEAN JUNIORS REVEAL PHENOMS

### Rovelto, Sategna Olympic Coaches

**Hello Again.....** Congratulations to Kansas State coach Cliff Rovelto and Texas coach Mario Sategna who, this week, were both named to the 2016 US Olympic staff for Rio. Former Oregon coach Vin Lananna was named the American head T&F men's coach with Rovelto and Sategna, both who have amassed considerable reputations as decathlon coaches, as two of the four assistants. Congrats!

The weekend concluded with the conclusion of the European Junior Champs (u20) in Eskilstuna, Sweden in what is normally a recruiting outing for American coaches.

The sprint skills of 18 year old Karsten Warholm were on display as he dominated day one with a 4239 (and 94 point lead) score.

Between the high jump (he leaped 2.00m/6-6 ¾) and 400m (48.72) he placed 2nd in the open 400 meters with a 46.91 clocking! His 400m efforts were 35 minutes apart. His 400m PR is 46.23! But weak long throws proved his demise and Czech Jan Dolezal took the lead during the discus (54.75m/179-7) and held it to the end. Kentucky freshman Tim Duckworth, who has dual citizenship (USA/GBR) dropped from 9th to 18th in the final event (7113). 18 year old Artur Härmäläinen/FIN, son of Eduard Härmäläinen (8735), dnf's the final event.

Last week we neglected to provide results from the World University Games
