## COLLEGE CONFERENCES CONTINUE

### Booth, Elvis in the House

**Hello Again.....**”Elvis is in the House.” So is Kansas State transfer Aaron Booth, the junior from Auckland, New Zealand. They posted the top D-I and D-II qualifying marks during the 2nd weekend of May. Booth (7520), now at Long Beach State, won the Big West title in Irvine. Elvis Kryukov, the 19-year old Angelo State freshman from Cyprus, used a PR 7498 score to win narrowly at the D-II Lone Star Conference meet in Canyon, Texas. His score now stands second on the D-II list behind Croatian teammate Trpimir Siroki (7515). West Texas A&M freshman Loic Rodrigues/France (7483) was runner-up. Eye-opening was the 1-5-7-8-9 placings of Angelo State, w/o Siroki.

Booth’s winning total in Irvine is a bit more tenuous as a D-I qualifier (#15) since there are major meets coming next weekend.

In other affairs, Brandon Hochbein, a red-shirt senior at Akron, won the Mid-American meet (D-I) with a 7017 score. Garrett Francis, a Central Missouri soph, was the MIAA (D-II) champ with a nice 7221 PR effort.

At the D-III level Wisconsin-Eau Claire displayed their depth with a 6941 victory by senior Abraham Schroedl. Eau-Claire owns the top 3 D-III qualifiers and a stable of five!

And next week will be busy.

Cyprian Elvis Kryukov (l) a freshman at Angelo St and New Zealander Aaron Booth (r), a Long Beach State transfer won the Lone Star (D-II) and Big West (D-I) league titles.
